

HIM
What is this?

HER
Budoy!

HIM
What's that? One of your soaps?

HER
Mmhmm.

HIM
Okay so what's going on?

HER
Okay. That is BJ, he, okay. So this is a really you know, well to do family, the Maniegos, okay, they are all rich doctors, and Luisa had this son, Budoy, and he is retarded.

HIM
Ma don't say "retarded."

HER
He is . . . mentally, you know. And since he is retarded—

HIM
Ma don't say--!

HER
. . . Mentally challenged, the family doesn't want him to bring shame to the family.

HIM
Wait, this is Budoy?

HER
No, this BJ, he is pretending to be Budoy.

HIM
What?

HER
Just a minute! Okay, so the grandmother of Budoy orchestrates a "kidnapping" for Budoy when he is like three years old, and the mother, Luisa, she doesn't know about it. So then, they get BJ to pretend to be Budoy for Luisa, because she is depressed.

HIM
Where does BJ come from?

HER
Oh okay, yeah. So Grace, that is Grace, she is the real mother of BJ. When she was a student, she went to Boston to go to school, and she had an affair and got pregnant. But because she didn't

want her family to find out, she came home to Manila, and went into hiding to give birth to him, and she gave him to one of her friends to raise. And so, when they needed to replace Budoy, she got BJ when he was nine, from her friend.

HIM

Did he know he was pretending?

HER

No.

HIM

Wow. Okay.

HER

In the previous episode, Grace, his real mom, finally told him that she was his real mom, and he didn't believe her, so he drove to the hospital to talk to Luisa, and on the way he got in a car accident.

HIM

And that's why he's in the hospital.

HER

That's why he is in the hospital.

HIM

Why is Budoy in the hospital?

HER

Oh, he got struck by lightning.
